🔐 ULTIMATE CAPTURE THE FLAG

This CTF has multiple parts. Each part gives you a **password** to unlock the next.

The final part reveals the flag in this format:

> `flag{your_final_flag_here}`

⚙️ Tip: Use Linux tools for the best experience.

🧩 Part 1:

To unlock **Part 1.zip**, enter the **year** the technology used to access this challenge was created.

- **Hint:** Think about the path from the **WhatsApp screenshot** to the **Drive link**.
- **Password Format:** `YYYY`
